

## Vocational training in Germany (Ausbildung)

# Protection and security specialist (Fachkraft für Schutz und Sicherheit)

## Fachkraft für Schutz und Sicherheit

You protect sites, property and people, prevent hazards and advise customers on security: a paid 3-year training in the private security sector.

- **Monitor and protect** Carry out patrols, control access and monitor sites, with or without video surveillance
- **Prevent risks** Assess hazards, check alarms, fire protection and locks, and act within the law
- **Advise and plan** Present a security concept to a customer, plan teams and write reports
