

Vocational training in Germany (Ausbildung)

Gold and silversmith (Gold- und Silberschmied/in)

Gold- und Silberschmied / Gold- und Silberschmiedin

You create gold jewellery or silver objects from a design: a 42-month training in a workshop and at a vocational school, with a choice between gold and silver smithing.

- **Design** Draw jewellery or objects, on their own or from a client's request, sometimes using software
- **Make** Forge, cast, solder and join gold, silver and other metals, then set the stones
- **Repair and finish** Polish, decorate surfaces, repair or rework pieces and advise clients
