

Vocational training in Germany (Ausbildung)

Orthopaedic technician (Orthopädietechnik-Mechaniker/in)

Orthopädietechnik-Mechaniker / Orthopädietechnik-Mechanikerin

You make prostheses, orthoses and mobility aids fitted to each patient: a paid 3-year training combining workshop work and contact with patients.

- **Measure and advise** Assess the patient's needs, take measurements and choose the right technical aid together
- **Make** Model and work metal, plastic, wood or textiles to create prostheses, orthoses and supports
- **Fit** Adjust the device on the patient, explain how to use it and carry out repairs and maintenance

LEVEL	DURATION	GERMAN	PAY DURING TRAINING
Baccalaureate required	3 years 36 months	B2 required level	Paid throughout the training

We are by your side from day one until you arrive in Germany.
