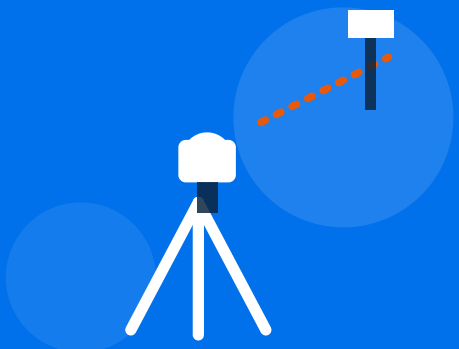
Vocational training in Germany (Ausbildung)

Surveying technician (Vermessungstechniker/in)

Vermessungstechniker / Vermessungstechnikerin

You measure land, mark boundaries and prepare plans: a paid 3-year training for a trade split between the outdoors and the office.

- **Measure** Set up the instruments and take position and height measurements in the field
- **Process** Use the data on a computer to produce maps, land-registry plans and project documents
- **Represent** Produce three-dimensional representations of buildings or roads from the measurements



LEVEL	DURATION	GERMAN	PAY DURING TRAINING
Baccalaureate required	**3 years** 36 months	**B2** required level	**€1,264 to €1,363** gross / month, during the training

We are by your side from day one until you arrive in Germany.
